PETITION TO THE HOUSE OF COMMONS

Whereas:

- Canadian workers rely on their pensions and benefits so they can live and retire with dignity;
- Canada's inadequate bankruptcy laws allow failing corporations to take the money intended for their employee's pensions and benefits, and use it to pay off CEOs, banks and investors instead; and
- The Liberal party campaigned on improving retirement security for Canadians.

We, the undersigned, **residents of Canada**, call upon the **government of Canada** to fix our bankruptcy laws to stop corporations from putting shareholders, banks and creditors ahead of their employees when they file for bankruptcy protection.
